- 1) Approval of Agenda and previous minutes: Agenda (Emily approve, Marie Seconded). Minutes have not been proved for March, Melanie will follow up with Sara and send out via email for approval once received.
- 2) Declaration of conflict of interest: None
- 3) Principals report – attached
Note: School could use assistance with technology and consumables (ex. balls)
- 4) AGM date is set for October 19th, 2020 at 6:00pm. Mrs. Croth will post a survey for parents interested in parent council to complete in the Panther of the week. (Julie approved, Emily seconded)
- 5) Hot Lunch
We are unable to run at the current time. Mrs Croth will inform us if this changes in the future. We will review vendors and pricing at that time.
Marie mentioned that since the schools are going cashless, it may be possible for us to utilize the old method of hot lunch (i.e. not utilizing hot lunch providing company).
- 6) Fundraising
Purdy chocolate was our last fundraiser of last school year before the closure, it was successful we raised roughly \$1100 for the school.
We will not likely be having a Christmas concert this year, we will need some new creative ideas for fundraising (e.g. contactless/direct delivery sell-able items, online auction).
Purdy chocolate does have a Christmas campaign, Emily is looking into their pricing, brochure and if they can do direct deliveries)
Sign-making could be arranged as take and make
We will discuss further once new fundraising committee is established.
- 7) Payments to be issued
Payment for play structure school board loan – Repayment schedule was previously agreed to, mentioning to record payment \$5970.54
Garden work – Lynnsclaping performed weeding, laid landscaping cloth and made our garden beautiful, an amazing job was done! We have an invoice of \$500 to be paid to Lynnsclaping for their services. (Krista approved, Julie seconded)
- 8) Old Business
Discuss purchasing smaller play source while saving for larger structure. We agreed to leave this for a future discussion after new council has been established for upcoming school year.

Next council meeting: AGM on October 19th @ 6:00PM, General meeting to follow at 6:30 PM
